

INDA  
PROSPECTUS 2024  
(Revised Version)

BACHELOR OF SCIENCE IN  
ARCHITECTURAL DESIGN  
(INTERNATIONAL PROGRAM)  
FACULTY OF ARCHITECTURE

## PROGRAM OVERVIEW

INDA, the International Program in Design and Architecture at the Faculty of Architecture, Chulalongkorn University is a 4-year program that produces graduates with a Bachelor of Science in Architectural Design.

While the program's main focus is design and architecture, INDA's core philosophy is geared to produce creative critical thinkers who are highly motivated to evolve, both themselves and the world around them, through built environment. The program provides students with a solid foundation for lifelong decision-making skills and long-term career goals in both local and global opportunities. Students will understand and respect the needs of industry and society as well as have an unwavering sense of commitment to global progress. Their awareness for values, ethics and social responsibility is pursued in parallel with their rigorous intellectual development. All classes are instructed by academics at the forefront of creative design and architectural thinking and practice.

With a unique yet flexible INDA course structure, students may choose to continue on to graduate studies and become a practicing architect or choose a specialization in other design and planning disciplines such as urban design, landscape architecture, industrial design, interior design, design innovation. They may also decide to pursue graduate studies related design disciplines to become a historian / theorist, conservationist, building technologist, real estate investor, or facility manager. Another exciting possibility is to explore the business and technological aspect of architecture.

The benefits of this quite innovative program are truly endless. Upon graduation, graduates will undoubtedly have the potential and skill to become leaders in their chosen profession.

## PROGRAM DETAILS

<b>Faculty</b>	FACULTY OF ARCHITECTURE		
<b>Program</b>	ARCHITECTURAL DESIGN		
<b>Degree Offered</b>	Bachelor of Science (B.Sc.)		
<b>Academic Calendar System</b>	Semester		
<b>Course Calendar</b>	First Semester:	August – December	
	Second Semester:	January – May	
	Summer Semester:	June – July	
<b>Duration of Study</b>	4 years		
<b>Admission Period</b>	Round 1	December (Thai Student)	
	Round 2	March (Thai Student)	
	Round 1	December (Foreign Student)	
	Round 2	March (Foreign Student)	

Details of the annual Tuition Fees estimated are as follows :

Semester	Tuition Fee	Thai Student (Thai Baht)	Foreign Student (Thai Baht)
First Semester	Chula's Tuition Fee	25,500.00	25,500.00
	INDA's Tuition Fee	70,000.00	154,000.00
Second Semester	Chula's Tuition Fee	25,500.00	25,500.00
	INDA's Tuition Fee	70,000.00	154,000.00
Summer Session	Chula's Tuition Fee	6,375.00	6,375.00
	INDA's Tuition Fee	35,000.00	88,255.00
<b>Total</b>		<b>232,375.00</b>	<b>453,630.00</b>

“CUINDA reserves the right to change the tuition fee without prior notice”

# Bachelor of Science in Architectural Design (International Program) Faculty of Architecture

## 1. Applicant Qualifications

- 1.1 An applicant must have completed high school or passed an equivalent high school standard test or be currently in their final year of high school (including, Grade 12 in the US system or Year 13 in the British/IB system).
- 1.2 An applicant from abroad must have a high school certificate, or have passed the high school equivalent standard test (GED, IGCSE) must have the Equivalence Certificate from High School Certificate Equivalency System. (<http://www.hsces.atc.chula.ac.th>)
- 1.3 An applicant must possess a history of good behavior and agree to abide strictly by existing and any further Chulalongkorn University regulations, codes and policies.

## 2. Application Requirements

- 2.1 Three of one-inch (1") photographs
- 2.2 Academic transcript(s); and in case of high school completion, a copy of a diploma from the school must also be submitted. In case of being currently in the final year of high school, a copy of official document certifying academic status from the applicant's school is also required.
- 2.3 Three test results of English, mathematics, and Test of Aptitude in Design that are not older than two years; with each meeting the score requirements below.

- English Test Result (choose one):
  - TOEFL (Internet-based) 79
  - IELTS 6.0
  - SAT (Evidence-Based Reading and Writing) 450
  - CU-AAT (Verbal) 400
  - CU-TEP 80
- Mathematics Test Result (choose one):
  - CU-AAT (Math) 550
  - SAT (Math) 570
  - Mathematics on NCEA New Zealand) Merit or Excellence Level
- Test of Aptitude in Design:
  - CU-TAD 50%

(Please click on <http://www.atc.chula.ac.th> for the test dates and how to register)

\* In case that an applicant has completed ONLY 2 out of 3 required tests mentioned in 2.3, the remaining item has to reach the minimum score as stated below.

- English Proficiency tests (choose one):
  - TOEFL (Internet-based) 61
  - IELTS 5.5
  - SAT (Evidence-Based Reading and Writing) 410
  - CU-AAT (Verbal) 360
  - CU-TEP 61
- Mathematics Proficiency tests (choose one):
  - SAT (Math) 530
  - CU-AAT (Math) 500
  - Mathematics on NCEA (New Zealand) Achieved Level
- Test of Aptitude in Design: CU-TAD 45%

**\*\* If an applicant submits both parts of New SAT (Math and Evidence-Based Reading and Writing), or CU-AAT (Math and Verbal), they must have been tested on the same occasion.**

2.4 A portfolio, a personal archive of art, craft, design, and experimentation exhibiting creative and/or critical thinking and process.

2.5 A copy of passport

The criteria of admission is based on the applicant's qualifications accompanying documents stated in items 2.3 and 2.4, an interview and an English writing test. The weights assigned to the 6 requirements are as follows:

- English Test Result 20%
- Mathematics Test Result 15%
- CU-TAD Result 20%
- Portfolio 10%
- Interview 25%
- English writing test 10%

# INDA

# PORTFOLIO GUIDE

## PORTFOLIO:

1. The Purpose of the portfolio is to demonstrate your individual, artistic, design, and critical thinking abilities as well as your organizational and communication skills. The contents of the portfolio should demonstrate your interests, versatility, and proficiency through different types of media and projects– sketching, painting, collage, photography, design, experimentation, etc. Architectural representations as perspectives and renderings are neither required nor compulsory.
2. The portfolio reveals a great deal about the applicant. It must contain original works or works with properly credited references only. Be critical with what is included. Select only the most relevant images that intently represent your skills, passions, creative sensibilities, personal pursuits, outlook in learning, and critical thinking processes. Recommended maximum number of works is six. Please refrain from including personal or family photos that are irrelevant to your work.
3. Special attention must be paid to the legibility of images and texts, especially in the areas of resolution, contrast, and sharpness.
4. The required format of the portfolio is a digital PDF file not exceeding 50 MB, stored and shared online by the applicant then submitted as a URL link in the online application form. The portfolio size is A4 with **no more than 20 pages including covers**. Portfolios not meeting these requirements will automatically be rejected.
5. The portfolio and all its contents have to be original works executed by the applicant and must not be plagiarized through any means, partial or whole. Suspects of any plagiarism will automatically be disqualified.
